

SHAKESPEARE

Dear Young Enthusiasts,

As the president of the Hungarian Shakespeare Society,

I extend my warmest wishes to you. May luck be on your side, and may your creative ideas blossom and thrive for the contest ("Shakespeare 460") organized by the English Department of Fekete István Primary School in Lajosmizse. It brings me great joy to know that in this special celebratory year, you are willing to put in the effort to either create a lively flashmob based on a scene from Romeo and Juliet or craft a sonnet using words or expressions coined by Shakespeare.

I express my heartfelt gratitude to the English teachers, particularly to Gabriella Adonyi, who appears to be the driving force behind this contest. Their dedication to popularize William Shakespeare and showcase that Shakespeare's works are still relevant today is truly commendable.

I am enthusiastically cheering for each and every one of you, wishing you the very best for a successful endeavour!

Warm regards,

Almási Zsolt

President, Hungarian Shakespeare Society
